The characteristics of this collection are its natural imperfections such as small knots, cracks, blemishes and slight colour variations. These features are a natural part of any real wood product and make each piece of furniture unique. Care should be taken to avoid extremes of heat and moisture which may adversely affect the product. As with all wooden furniture there is likely to be some movement while the wood adjusts to atmospheric conditions. We reserve the right to alter design and dimensions without prior notice. Colours are as accurate as the printing process allows.
